# ASSESSOR AND MODERATOR COURSE

This generic assessor and moderator skills programme benefits candidates who assess people for their achievement of learning outcomes in terms of specified criteria using pre-designed assessment instruments. The candidate will further develop skills to moderate outcome-based assessments.

People credited with this unit standard are able to carry out assessments in a fair, valid, reliable and practicable manner that is free of all bias and discrimination, paying particular attention to the three groups targeted for redress: race, gender and disability.
